B. ELIGIBILITY

Programmes entered into the British Academy Television Craft Awards must be eligible for the Virgin TV British Academy Television Awards. Please refer to the Television Awards rules and guidelines for criteria and category information.

Programmes must have had their first transmission in the UK between 1 January and 31 December 2018 on terrestrial, cable, satellite or digital channels including web-based broadcasters who commission content (e.g. Netflix).

Programmes may be regional or networked.

If a show is only eligible for the International category of the Television Awards, individuals may be considered in the Television Craft Awards so long as the following criteria are met:

- The UK is the usual place of residency and employment for the candidate(s) for nomination
- The craft under consideration has been completed in the UK

Please email awards@bafta.org to confirm eligibility prior to making your entries. The BAFTA Television Committee will make the final decision on the candidate's eligibility.

Programmes that have previously been entered into the British Academy Children's Awards are eligible for the Television Craft Awards in all categories except Director: Factual, Director: Fiction, Writer: Comedy and Writer: Drama, as the Children's Awards has its own Director and Writer categories.

Programmes that are self-published are not eligible for the Television Craft Awards.

Programmes scheduled to have episodes in two separate calendar years (e.g. December 2018 and January 2019) cannot enter the same series in two consecutive years and the programme must be entered into the year in which the first episode was first transmitted. For the Television Craft Awards, even when a craftsperson has worked on an episode that has transmitted in the following year, the principle of first TX still applies.

C. ENTRY

All entries should be made via the entry site <https://entry.bafta.org/> and more information about the video specifications can be found on page six of this document.

The BAFTA Awards Entry site will be open for entries from 12:00 Monday 8 October until 17:00 on Friday 30 November 2018. Entries for programmes that are broadcast between 1 January – 30 November 2018 received after the deadline will not be accepted after this date and will not be eligible for future awards. Supporting videos should also be uploaded by this date.

The deadline for programmes that are transmitted 1 - 31 December 2018 is 17:00 on Thursday 3 January 2019.

On the entry site, a synopsis of no more than 1,000 characters will also be requested. This should be a factual synopsis of the episode or the series. It should not include any details of other awards won, ratings or media quotes. BAFTA reserves the right to edit any text that does not meet these criteria.

There is a fee per entry based on the total number of entries submitted:

- 1 - 60 entries: £95.00 per entry + VAT
- 61+ entries: £80.00 per entry + VAT

Entry is open to broadcasters, independent production companies, directors, producers, writers, BAFTA members and all those included on the credits of a programme.

Upon entry, you will be asked to give the names of those individuals who should be listed as nominees should the entry receive a nomination. These are the 'candidates for nomination'. Failure to propose names may render your entry invalid.

The names submitted must pertain to the episode submitted, as this is the episode that the work is being judged upon and should be those who have made the greatest creative contribution to the programme. Please refer to individual category rules for further information.

When supplying the names of the candidates for nomination, BAFTA will only accept names if they work within the specific roles listed in the category criteria. Additional members of the production or commissioning teams who have not carried out the crafts being judged will not be accepted.

For certain categories, you may opt to list a team as the nomination credit for your entry instead of individual candidates for nomination, (e.g. Directing Team, Sound Team). In this case, you will be asked to supply the names of the representatives from this team, who must be eligible based on the individual category rules. Please refer to individual category information for the maximum number of representatives permitted. These representatives will be the person(s) who will receive the nomination certificate(s) and, should the programme win, will also be presented with the winner certificate(s) and the award(s). Please note that, in this case, it is the programme that is being recognised, not the individuals, and these individuals will not be able to refer to themselves as BAFTA nominees or winners. 'Production Team' cannot be entered into the Entertainment Craft Team or Special, Visual and Graphic Effects categories.

On the entry site you will be asked to upload three stills from the programme entered which can be used by BAFTA in the event of a nomination. Images must be high resolution JPEG or TIFF files, and no smaller than 600px wide. Stills representative of the final broadcast production are preferable over promotional photography or artwork. By providing the images, you grant BAFTA all necessary rights and consents (including but not limited to rights of publicity and privacy) to enable BAFTA to use the imagery in whole, or in part, and to edit the same, in such manner and for such purpose as is relevant to the nomination, including, but not limited to, broadcast, online, social media, print and advertising.

Correct entry information is the responsibility of the entrant. BAFTA is not liable for errors in listings that are the result of incorrect information being submitted on the entry form. BAFTA cannot be held responsible for programmes that are entered in the wrong categories or for any other incorrect information.

The BAFTA Television Committee is the arbiter of all eligibility.

MAKING PROGRAMMES AVAILABLE TO VOTERS AND JURORS

Round One Voting

Entrants should make their programmes available to BAFTA members for review via BAFTA's viewing and voting website. DVD screeners may not be sent to voters

The viewing site is available to BAFTA members from mid-November. We strongly encourage all entrants to upload videos supporting their entries as early as possible, as this will give BAFTA members a greater opportunity to view all material under consideration

The viewing site is username and password-protected via two-step verification, and is only accessible by BAFTA members eligible to vote in the Virgin TV British Academy Television Awards and the British Academy Television Craft Awards. Videos may be available to either stream or download until January 2019. After this date, videos will only be available to BAFTA jurors and/or individuals eligible to vote in the Editing: Factual, Editing: Fiction, Sound: Factual, Sound: Fiction and Special, Visual and Graphic Effects chapters. For further information on the security controls in place to protect streamed and downloaded content, please contact awards@bafta.org.

TECHNICAL SPECIFICATION

The BAFTA Awards Entry System aims to provide the best possible viewing experience for your content. In order to achieve this, we request that you provide a high quality version of your file. Our preferred video specification is shown below. Please use our preferred specification where possible, however if your original best quality video is in another format, we would prefer to receive it with minimum encoding to preserve quality. Please upload your video(s) as soon as possible so any viewing issues can be resolved before entries close.

	Preferred specification
File format	.mp4 / .mov
Audio codec	Stereoaudio
Bit rate	15 – 20 mbps (or as high as possible)
File size	Up to 10 Gigabytes (file sizes up to 90 Gigabytes may supported, but are not recommended for ease of viewer streaming/downloading)

Please contact awards@bafta.org with any questions

BAFTA accepts no liability for any file created to the wrong specification and is therefore not available to be viewed in the viewing or voting site. It is the entrant's responsibility to make sure the file is created to the correct format, to check their video once it has transcoded and to confirm the video is associated with the correct entry

The BAFTA Television Committee is the arbiter of all category eligibility.**

E. VOTING PROCESS

The Special Award is in the gift of the Academy and is not open to voting by members at any stage.

Nominations and winners of all other awards are decided by television voting members, chapters and juries.

Voting is conducted online. Prior to the first round of voting, all voting members are informed of voting rules and must vote or register their abstention. They may vote for up to six programmes/individuals per category but may register their abstention from any category where they feel unqualified to vote. The top six go forward for jury consideration.

Where a category receives fewer than 10 entries, BAFTA may choose not to present the award at the Television Craft Awards ceremony or announce fewer nominations in that category. Any category proceeding with fewer than 10 entries will not go to a membership vote, and will instead go straight to jury consideration. Breakthrough Talent will be judged by jury only.

Voting in Round One is restricted to registered voting members and chapter members.

Voting in Round Two and Round Three is restricted to registered chapter members.

All voting is authenticated by BAFTA's appointed scrutineers.

Broadcaster Entries

After the first round of voting each broadcaster has the opportunity to enter an additional programme per category, per terrestrial channel. In the case of terrestrial channels that have digital channels, the broadcaster can only choose one of their digital channels in which to put a programme forward; this does not affect their right to enter their terrestrial channels. The deadline for this entry is 12:00 on Friday 1 February 2019. Broadcaster entries will not be accepted in categories that go straight to jury for consideration. For further information on entering please contact Gemma Thomas (see Contact List).

Juries

The top six, as voted for by the membership, is compiled with the broadcaster entries to form the jury shortlist. Juries then decide the four nominations and overall winner in each category.

All decisions made by BAFTA and its juries are final and no correspondence will be entered into as to why particular entries were or were not nominated.

F. LONGLIST, NOMINATIONS AND WINNERS

The nominations for each category will be listed in alphabetical order.

Nominations will be announced approximately five weeks before the ceremony.

The winners list and winners press release is the definitive source of award winners information.

All individual named nominees and production team representatives will receive a certificate of nomination.

All individuals named as award winners will receive a BAFTA award and a winner's certificate.

The BAFTA award or logo may not be reproduced or used in any commercial manner unless prior permission has been obtained from BAFTA.

The BAFTA award remains the property of the British Academy of Film and Television Arts, to remain in the care of the recipient or his / her descendants. Should the award leave the care of the recipient or his / her descendants, the Academy reserves the right to purchase the mask back for a fee of £1. The award must not be sold on to any third party.

Award winners unable to collect their BAFTA award(s) on the night of the ceremony must arrange collection from BAFTA within 12 months of the ceremony.

BAFTA does not issue replicas of the award.

Certain companies directly involved with the nominated and winning programmes could be eligible to purchase a duplicate winner certificate up to one year after it has been awarded so that they can have a record of their involvement.
