- Programmes must have had their first transmission in the UK between **26 May 2022 – 10 May 2023** on terrestrial, cable, satellite or digital channels (or their online platform), including web based broadcasters who commission content (e.g. e.g. Netflix, Amazon Prime, YouTube Originals, Apple TV+).
- Any entry that has previously been submitted will not be considered eligible
- Programmes scheduled to have episodes from one series in two separate eligibility periods cannot enter the same series in two consecutive years
- Feature Film entries must have had a theatrical release (as determined by FDA) and been screened and marketed to a public paying UK audience (for at least seven days) during **26 May 2022 – 10 May 2023**. Films without a confirmed and published theatrical release date with FDA may qualify for consideration should they release on an approved commercial VOD platform and meet entry criteria, these films will be considered by the Awards Committee before being approved as eligible. At the committee's discretion, and only in exceptional circumstances, a film which has been available to the UK public through other patterns or forms of distribution may be considered for entry; please contact the Awards Team (see [Contact List](#)) as soon as possible if you wish to appeal for consideration
- Feature Films should not be screened purely to qualify them, and the Awards Committee will not accept an entry that otherwise meets criteria if they do not deem the release to have been meaningful.

If a feature documentary was intended to receive its first exhibition as a public, paid-entry cinema screening and has a subsequent eligible release, it should be entered in Feature Film, if the first exhibition was a television broadcast it should be entered into Single Documentary
- If an exceptionally high number of entries are received in any performance categories the Awards Subcommittee may, during the review of entries, opt to present four nominations in that category

C. BFI DIVERSITY STANDARDS – SCREEN SCOTLAND

In certain categories, as agreed between the BFI, BAFTA Scotland and Screen Scotland, entrants will be asked if their project would meet the BFI Diversity Standards – Screen Scotland.

The BFI Diversity Standards were launched across the UK in 2016. They encourage equality of opportunity and address under-representation in the screen industries – in creative leadership; crew and project staff; in training, opportunities and career progression; in audience outreach and development; and on-screen. They are a flexible framework which can be used for feature films, television content produced for broadcast and online, as well as a range of audience-facing activities such as film festivals, distribution releases, multiplatform distribution proposals and ambitious film programmes.

Screen Scotland has worked with BFI to develop a version of the BFI Diversity Standards that will apply to Scotland based projects and which reflect the Scottish population structure, they can be found [here](#).

Entrants will be asked to self-assess against these standards; qualification will not affect eligibility, is voluntary and has no impact on funding awards previously made by Screen Scotland. The intention is to encourage better representation and increased inclusivity across the industry, and the supporting information gathered will help the BFI, BAFTA and Screen Scotland define what diversity standards should be applied to the production process and awards eligibility in the future.

The 2023 BAFTA Scotland Awards application form asks those submitting projects to confirm which specific Standards they have met, to provide more detail on how it has met/not met the Standards, and detail any diversity inclusion programmes that the company run that are not listed as part of the standards.

This information will be requested from entries in the following categories: Entertainment, Factual Series, Feature Film, Features, News & Current Affairs, Single Documentary, Specialist Factual and Television Scripted.

INDIVIDUALS SUBMITTED FOR NOMINATION

Up to four names can be put forward as named nominees or production team representatives. The names submitted must be those that have made up of the core creative team and those who had lead creative contribution to the programme. These individuals must have worked on the series that has been submitted for consideration, but need not be credited on the episode submitted. Commissioning editors and executives who work within the broadcaster commissioning teams will not be accepted. Where an agreement cannot be made on candidates, BAFTA will use the episode supplied as the final arbiter for candidates. Scripted the writer, director and producer should be submitted as candidates. Executive producers, production managers and line producers would be accepted if the candidate had creative contribution and as long as the above credits have not been omitted.

Non-scripted the producer and director should be submitted, followed by any others who had creative control over the programme. This may include roles such as the lead editor, writer, line producer, production manager and executive producers, if the candidate had creative contribution and as long as the above credits have not been omitted. Presenters will only be accepted on the basis that they have significant involvement at a senior editorial/creative level equivalent to the above roles.

You must specify how you wish to list the nomination publically by choosing either:

- (1) Candidates for nomination: individual names will be made public; the individuals can call themselves 'BAFTA winning'
- (2) Production team representatives: nomination listed as 'production team', names not made public. Please note that it is the programme that is being recognised, not the individuals, and these individuals will not be able to refer to themselves as BAFTA nominees or winners.

Candidates for nomination and production team representatives are reviewed at point of entry, at which point entrants will be contacted for more information where necessary. The entrant will be asked to confirm that the names provided have been agreed upon with the entire senior team. Final approval of the candidates will be made ahead of the nominations announcement; any nominations still incomplete at this stage will be listed as Production Team and the representatives will be taken from the credits of the episode submitted. Only the individuals named as candidates for nomination or production team representatives on entry forms will be eligible to order a replica trophy should the entry go on to win (see [Trophy Guidelines](#))

O. TROPHY POLICY

BAFTA Scotland Awards

Trophy Policy

- One BAFTA Scotland trophy is given out at the Awards Ceremony, the recipient of which must be listed as a Candidate for Nomination or Production Team representative on the original entry form
- BAFTA Scotland is not responsible for which member of a winning team keeps the trophy after it has been awarded, but will keep a record of the individual's name as the recipient will not be eligible to order an additional trophy as the one given out on the night is considered theirs
- Additional trophies can be ordered by any individual/s credited in official BAFTA listings (who did not keep the trophy given out at the Awards Ceremony), and this has to be done in writing directly by the individual via online application (details of the trophy application form can be requested via awards@bafta.org)
- Individuals credited in official BAFTA listings who did not keep the trophy given out at the ceremony can order a maximum of one trophy
- Trophies are £475 + vat and can be ordered up to six months from the day following the ceremony (after this deadline no replica orders will be taken)
- Cost of shipping is not undertaken by BAFTA and will be a separate cost to the application. BAFTA will confirm upon approval of your trophy purchase request if you would like the replica to be delivered or to arrange a collection from BAFTA Scotland (please note, delivery can only be made within mainland UK)
- Trophies cannot be ordered as gifts either by a third party for a credited individual or by the credited individual for a third party
- The award may not be reproduced or used in any commercial manner
- The award remains the property of BAFTA, to remain in the care of the recipient or their descendants. Should the award leave the care of the recipient or their descendants, BAFTA reserves the right to purchase the trophy back for a fee of £1. The award must not be sold on to any third party
- In the event of a win, and in certain exceptional circumstances, the BAFTA Scotland Awards Subcommittee may consider appeals for up to two additional trophies for credited individuals (in line with BAFTA credit guidance). Appeals will be considered on a case-by-case basis, please contact a member of the [Awards Team](#) for further information. If an award is purchased following a successful appeal, the recipients will not be named as nominees in the ceremony, BAFTA website, press release or any other related materials; or listed internally as production team representatives. The details will be stored separately, for archive purposes. The deadline to submit an appeal is six months from the date of the ceremony.

Please note trophy orders will take some months to fulfil once an application has been approved and payment completed
