B. ELIGIBILITY

Production and performance categories

- Programmes must have had their first transmission in the UK between 1 January and 31 December 2013 on terrestrial, cable, satellite or digital channels, including web based broadcasters who commission content (e.g. Netflix).
- Programmes may be regional or networked.
- Programmes will be considered for one category only.
- International programmes are only eligible in the International category, unless they are co-productions (both financially and creatively, and provided the first transmission was in the UK).
- Programmes that have previously entered BAFTA's Children's or Film Awards are not eligible for the Television Awards.
- Programmes that are self-commissioned and published are not eligible for the Television Awards.

CHOOSING WHICH CEREMONY TO ENTER

An entry can only be made either to the Film Awards or to the Television and/or Television Craft Awards.

If an entry receives its first exhibition as a TV broadcast then it should be entered for the Television and/or Television Craft Awards. If an entry receives its first exhibition as a public, paid-entry cinema screening then it should be entered for the Film Awards.

If an entry is released into cinemas and on television or online on the same day, then it will be eligible for either the Television and/or Television Craft Awards or the Film Awards, but not both.

For the Film Awards, there is a further specification that a film should be over 60 minutes long and have a theatrical run of at least seven days. These need not be consecutive days, nor the same venue.

If an entry of over 60 minutes has a theatrical release of fewer than seven consecutive days before its television broadcast, then it will be eligible for the Television and/or Television Craft Awards, but not for the Film Awards.

Programmes that have previously had a theatrical release and then re-cut for television are ineligible unless a significant amount of new material has been shot specifically for the television broadcast.

For the British Short Film and British Short Animation categories in the Film Awards, where the minimum theatrical run is not applicable, the principle of first exhibition determining the appropriate ceremony still holds. If the entry first has a public, paid cinema screening and/or a film festival screening it will be eligible for the Film Awards. Otherwise it will be eligible for the Television / Television Craft / Children's Awards.

Programmes that are commissioned by the children's department and/or are intended for an audience 16 and under should be entered for the Children's Awards.

C. ENTRY

- All entries should be made via the entry site <http://entry.bafta.org/>. Full instructions about the entry process can be found at <http://awards.bafta.org/entry> and more information about the video specifications can be found on page 6 of this document.
- The BAFTA Awards entry website will be open for entries **from Tuesday 1 October 2013 until 17:00 on Friday 3 December 2013**. Entries received after the deadline will not be accepted or eligible for future awards. Supporting videos should also be uploaded by this date,
- Programmes yet to be transmitted should still be entered by the entry deadline date, with supporting video uploaded, and entrants can advise BAFTA exactly when they should be published to the voting and viewing website
- The entry and video upload deadline for the News Coverage, Current Affairs, Sport & Live Event programmes transmitted between 4 and 31 December is **7 January 2014**.
- On the entry website a synopsis of no more than 250 words will also be requested. This should be a factual synopsis of the episode or the series. It should not include any details of other awards won, ratings or media quotes. BAFTA reserves the right to edit text that does not meet these criteria.

Production Categories

- There is a fee per entry of £305 + VAT
- Entries for the production categories can be submitted by producers, directors, broadcasters, independent production companies and BAFTA members.
- At the entry stage, entrants will be asked to propose names of up to four individuals who would be listed as nominees if the programme receives a nomination. These are the 'candidates for nomination'. Failure to propose names may render your entry invalid.
 - There must be careful consideration of who is proposed for nomination candidates as changes cannot be made once nominations have been announced.
 - The names submitted must pertain to the episode submitted, as this is the episode that the work is being judged upon and should be those who have made the greatest creative contribution to the programme. For scripted pieces, the BAFTA Television Committee would expect the writer, director and producer to be credited.
 - When supplying the names of the nomination candidates BAFTA will only accept names if they are part of the creative production team. Commissioning editors and executives who work within the broadcaster commissioning teams will not be accepted.
 - If it is not possible to decide upon four names, you may opt to list 'Production Team' as the nomination credit. In this case, you will be asked to supply up to four names of representatives from the team, along with their role on the project. These representatives will be the person/s who receives the nomination certificate/s and, should the programme go on to win, they will also be presented with the winner certificate/s and award/s. Please note that these individuals will not be able to refer to themselves as BAFTA winners: the programme will be BAFTA-winning, not the individuals.

Performance Categories

- There is no entry fee for performance categories.
- Entries for the performance categories can be submitted by producers, directors, broadcasters, independent production companies and BAFTA members. Entry deadline is **Friday 3 December** except for BAFTA members, who have until Tuesday 7 January 2014 to make an entry.

- For the Lead and Supporting Actor and Actress categories, the category in which individuals are placed is determined by the voters' selection in Round One voting: the performer will be placed in the category in which they received the largest proportion of votes. All votes cast for that individual in both the supporting and leading categories will be counted.
- Our voting system does not permit voters to cast more than one vote per performer (i.e. place a performer in both the leading and supporting categories). The entrant may indicate which category they wish a performer to be considered for on the entry form and this may be taken into consideration.

D. MAKING PROGRAMMES AVAILABLE TO VOTERS AND JURORS

Round One Voting

- Entrants may make their programmes available to BAFTA members for review via BAFTA's viewing and voting website. DVD screeners may not be sent to voters.
- The viewing site is available to BAFTA members from Monday 4 November 2013. We strongly encourage all entrants to upload videos supporting their entries as early as possible, as this will give BAFTA members a greater opportunity to view all material under consideration.
- The viewing site is username and password-protected and is only accessible by BAFTA members eligible to vote in the Television Awards. Video may be available to either stream or download until Thursday 31 January 2014. After this date, video will only be available to BAFTA jurors. For further information on the security controls in place to protect streamed and downloaded content, please visit www.bafta.org/television.

Jury Shortlist

If shortlisted for jury consideration, programmes **must** be made available to jurors via the viewing site by **Wednesday 12 February 2014**.
