B. ELIGIBILITY

Programmes entered into the British Academy Television Craft Awards must be eligible for the Virgin Media British Academy Television Awards. Please refer to the [Television Awards rules and guidelines](#) for criteria and category information.

Programmes must have had their first transmission in the UK between 1 January and 31 December 2021 on terrestrial, cable, satellite or digital channels, including web-based broadcasters who commission content (e.g. Netflix, Amazon Prime, YouTube Originals, Apple TV+).

For a programme to qualify for the Virgin Media British Academy Television Awards, the programme must have transmitted in the UK in 2021.

Programmes may be regional or networked.

If a show is only eligible for the International category of the Television Awards, individuals may be considered in the Television Craft Awards, so long as each individual candidate submitted meets two of the below criteria. This means if you are entering as a team, each individual submitted will need to comply (this is with exception to the Special, Visual and GFX Effects category where deviation applies- please see full category eligibility for further info):

- The UK is the usual place of residency (currently residing or resident for a minimum of six years when the entry was made)
- The UK is the usual place of employment for the candidate(s) for nomination.
- The UK is the place of birth or naturalisation

Please email awards@bafta.org to confirm eligibility prior to making your entries. The BAFTA Television Committee will make the final decision on the candidate's eligibility.

Programmes that have previously been entered into the British Academy Children's Awards are eligible for the Television Craft Awards in all categories except Director: Factual, Director: Fiction, Writer: Comedy and Writer: Drama, as the Children's Awards has its own Director and Writer categories.

Programmes that are self-commissioned and self-published are not eligible for the Television Craft Awards.

As the Craft Awards reward the individual craftsperson, programmes scheduled to have episodes in two separate calendar years (e.g. December 2021 and January 2022) can enter the same series in two consecutive years as long as it is not the same craftsperson being entered into the same category. For example, if a series has two directors, with one directing an episode that aired in 2021, and another directing an episode from 2022, both could be entered into the respective years. If, however, the same director directed one episode from 2021 and another from 2022, they cannot be entered twice.

If you are in any doubt about the eligibility for your programme, please contact the Awards team at awards@bafta.org.

CHOOSING WHICH CEREMONY TO ENTER

An entry can be made either to the Virgin Media British Academy Television/Television Craft Awards or the EE British Academy Films Awards, not both:

- If a work was intended to receive its first exhibition as a television broadcast, it should be entered to the Television and/or Television Craft Awards
- If a work was intended to receive its first exhibition as a public, paid-entry cinema screening and has a subsequent eligible release, it should be entered to the Film Awards
- If a work was intended to receive its first exhibition theatrically, but does not have a subsequent eligible release, it may be eligible for the Television and/or Television Craft Awards if subsequently broadcast (however, programmes that have had a theatrical release and then been subsequently re-cut for television are ineligible unless a significant amount of new material has been shot specifically for the television broadcast) however;
- Documentaries which are commissioned by broadcasters/streamers should be entered into the Television/Television Craft Awards. Even if it is subsequently released in UK cinemas it will only be eligible for the Film awards on appeal
- If a work (over 70 minutes) is released into cinemas and on television or online on the same day, then it will be eligible either for the Television and/or Television Craft Awards or for the Film Awards, not both
- If a work receives its first exhibition online/VOD, it may be eligible for the Television and/or Television Craft Awards, however, if a work was intended for a theatrical release but receives its first exhibition on an approved commercial VOD and available to UK audiences, for a minimum of 30 days, it may be eligible for Film Awards if released in UK in the Covid-period (up to June 31, 2021)

Programmes commissioned by the children's department and/or intended for an audience of 16 and under should be entered into the Children's Awards.

Dramas, documentaries or animations with running times of between three minutes and twenty minutes may be eligible for the short film categories of the Film Awards and the Short Form Programme category of the Television Awards, but cannot be entered for both. In this case, the principle of intention with the first exhibition will generally apply; films first intended to be shown at a film festival should be entered into the Film Awards, programmes that were first shown on television or an online broadcast platform should be entered into the Television Awards. Content originating from or commissioned by a broadcaster will generally be expected to be entered into the Television Awards regardless of its first exhibition; please contact awards@bafta.org with details of the commissioning process to determine the eligibility of your film.

Programmes commissioned by the children's department and/or intended for an audience of 16 and under should be entered into the Children's Awards. Programmes previously entered into the British Academy Children's Awards or the EE British Academy Film Awards are not eligible for the Television Awards. Entrants who feel that the programme could be deemed eligible for both the EE British Academy Film Awards and the Virgin Media British Academy Television awards should contact the Awards team at awards@bafta.org for clarification.

For details of eligibility for the Film Awards, see separate rules and guidelines at awards.bafta.org/entry.

CANDIDATES FOR NOMINATION

There must be careful consideration of who is proposed as candidates for nomination as changes cannot be made once nominations have been announced.

Up to six names can be put forward as candidates for nomination.

When supplying the names of the candidates for nomination, BAFTA will only accept names if they work within the specific roles listed in the category criteria. Additional members of the production or commissioning teams who have not carried out the crafts being judged will not be accepted.

BAFTA reserves the right to remove or query any individuals that are not eligible and the final decision on eligibility rests with BAFTA's Television Committee. Final approval of the candidates will be made ahead of the nominations announcement; any nominations still incomplete at this stage will be listed as Production Team and the representatives will be taken from the credits reel of the episode submitted in support of the entry. The final decision on eligibility rests with BAFTA's Television Committee.

Correct entry information is the responsibility of the entrant. BAFTA is not liable for errors in listings that are the result of incorrect information being submitted on the entry form. BAFTA cannot be held responsible for programmes that are entered in the wrong categories or for any other incorrect information. The BAFTA Television Committee is the arbiter of all eligibility.

APPEALS

We are aware each production operates differently so other creative roles not typically eligible may be accepted as a candidate on an appeal basis. For this reason, note roles accepted in any one year or entry does not mean automatic inclusion in another year or entry. Detail of the candidates' creative contribution will be required in the **Credits - Appeals** section on the entry form. Appeals should contain short statements from the programme's producer(s), from the individual(s) concerned and from team members working directly with the individual(s) as appropriate. See [CANDIDATES FOR NOMINATION](#) and [VOTING PROCESS](#) for more information. All appeals should be received in line with the entry deadlines; Friday 19 November for programmes airing between January and November, and 7 January for programmes that transmit in December. No appeals will be accepted after these dates.

ADDITIONAL MASKS

In some circumstances the number of eligible candidates may exceed the six candidates submitted for each production category. The entrant may be eligible to appeal for up to a maximum of two additional awards to be purchased should a programme go on to win. Appeals will only be accepted on behalf of candidates who would be eligible based on the rules listed in the [CANDIDATES FOR NOMINATION](#) section and are part of the lead editorial team. Production companies and broadcasters are not eligible. Any appeals should be noted on the **Credits - Appeals** section of the entry form. All additional mask requests will be considered by the Television Committee. If additional masks are purchased following a successful appeal, the recipients will not be named as nominees in the ceremony, BAFTA website, press release or any other related materials; or listed internally as production team representatives. The details will be stored separately, for archive purposes.

MAKING PROGRAMMES AVAILABLE TO VOTERS AND JURORS

Entrants must have uploaded their full programme to their entry in order to make their programmes available to BAFTA members. Campaigning is strictly not permitted: DVD screeners, online screener links or emails may not be sent to voters.

BAFTA members will be able to start watching entered programmes on BAFTA View from mid-November. We strongly encourage all entrants to submit their entries as early as possible to give BAFTA members a greater opportunity to view all material under consideration.

The voting site is username and password-protected via two-step verification, and is only accessible by BAFTA members eligible to vote in the Virgin Media British Academy Television Awards and the British Academy Television Craft Awards. Videos will be made available to either stream or download until February 2022. After this date, videos will only be available to BAFTA jurors and/or individuals eligible to vote in the Editing: Factual, Editing: Fiction, Sound: Factual, Sound: Fiction and Special, Visual and Graphic Effects chapters. All videos will be made available for download for jury or awards production purposes only.

For further information on the security controls in place to protect streamed and downloaded content, please contact awards@bafta.org.

Where the minimum number of entries in any category is not reached, BAFTA, at its discretion, may choose not to present any of the above awards at the Television Craft Awards ceremony, or announce fewer nominations in any category. The BAFTA Television Committee is the arbiter of all category eligibility.

F. VOTING PROCESS

STAGE ONE: MEMBERSHIP VOTING

Voting is conducted online. Prior to the first round of voting, all voting members are informed of voting rules and must vote or register their abstention. They may vote for up to six programmes/individuals per category but may register their abstention from any category where they feel unqualified to vote. The top six go forward for jury consideration.

Where a category receives fewer than 10 entries, BAFTA may choose not to present the award at the Television Craft Awards ceremony or announce fewer nominations in that category. Any category proceeding with fewer than 10 entries will not go to a membership vote, and will instead go straight to jury consideration. Emerging Talent: Factual and Emerging Talent: Fiction will be judged by jury only.

Where there is a tie in the first stage membership vote for the sixth place, then all tied results will go through to the next round. If there is a tie in either round two or round three of the online vote the scrutineers will use the results from the previous round to determine the tie.

Voting in round one is restricted to registered voting members and chapter members.

Voting in round two and round three is restricted to registered chapter members.

All voting is authenticated by BAFTA's appointed scrutineers.

STAGE TWO: BROADCASTER ENTRIES

After the first round of voting each broadcaster has the opportunity to add up to two additional candidates per category that did not make the jury list through the membership vote. This stage is intended as an effort to make the jury lists more representative. The entries can either be existing entries that did not pass through the membership vote, or new entries that were not submitted in error in the first round.

If the broadcaster chooses to put forward two candidates/teams at least one of the two permitted entries should, to best endeavours, include a candidate from an under-represented group as addressed in the BFI's Diversity Standards. This recommendation has been made to encourage a broader representation in nominees.

The broadcaster entry process opens after the membership vote has been confirmed by BAFTA's external auditors on **Wednesday 2 February and closes at 12:00 on Tuesday 8 February 2022**. Broadcaster entries will not be accepted in categories that go straight to jury for consideration. Broadcasters will be invited directly. If you think you qualify for this process and for further information on entering and pricing for this entry stage please contact the awards team (see [CONTACT LIST](#)).

STAGE THREE: JURIES

The top six as voted for by the membership is combined with the broadcaster entries to form the jury longlist. Jury Chairs are predominantly appointed from the current or past Television Committees but may include other sector committee members. Once a chair is appointed, they work with the Awards team to build the lists of jurors where specific expertise knowledge is needed. Members are invited to put their names forward to be added to a panel of potential jurors each year. These lists are subject to Television Committee approval. The jury decide the four nominations and overall winner. A secure online voting system is used that is audited and monitored by our appointed scrutineers.

BAFTA juries should be diverse and representative and for the Television Awards the following best practice guidelines will be followed:

These juries will endeavour to incorporate a diversity of voice and thought and:

- Will have between nine and 12 jurors, with a quorate of seven, except in instances where a larger number of voices is required
- Will be made up of a majority of experts with significant experience in the relevant discipline, complemented by a number of jurors from other disciplines or genres that represent a broad range of voices
- In order to ensure balance and that the demographic make-up of the jury is as wide as possible, each jury should contain:
 - Good representation of gender (50:50) and under-represented ethnicities
 - Represent a range of diversity indicators and those from underrepresented groups - including but not limited to age, LGBTQI+, D/deaf & disabled, socioeconomic background and location
- A juror cannot participate in the same jury in two consecutive years, apart from on juries where there is specified a need for continuity
- A chair cannot oversee the same jury in two consecutive years, apart from on juries where there is specified a need for continuity
- A juror must not have any conflicts of interest: jurors must not have any direct connection with any of the longlisted programmes: they cannot have worked on them, have a credit on them or have commissioned them. Any possible conflicts of interest, such as personal and professional connections to the candidates for nomination, must be declared to BAFTA before the meeting takes place. The jury chair and BAFTA Awards Team will determine what constitutes a conflict of interest.
- All Jury chairs and jurors must complete bias training prior to the jury meeting, and earlier in the process if possible;
- All jury chairs will attend a Jury chair briefing with members of the Television Committee, to ensure they are fully aware of how meetings should be run, specific rules for their category, etc.
- Jurors and Jury chairs must watch all longlisted titles prior to attending the jury meeting.
- Jury meeting will be run as open, safe environments, enabling all jurors to speak and vote, freely; Jury Chairs will hold members accountable to contributing to this approach;
- During jury meetings, voting is via a secure online system developed by BAFTA and automatically relayed to BAFTA's scrutineers; jurors are not aware of final results with this process;
- The list of jurors is not made public until the day of the ceremony, to avoid lobbying. Jurors are asked to keep their involvement confidential until that time, to avoid lobbying, and sign an NDA to ensure that all discussions within the meeting remain confidential

Any questions about the voting process should be directed to awards@bafta.org

All decisions made by BAFTA and its juries are final and no correspondence will be entered into as to why particular entries were or were not nominated.
