

Technical Specification

Video uploads on entry.bafta.org

Entry site (entry.bafta.org) built-in video platform

The BAFTA entry site and BAFTA View aims to provide the best possible viewing experience for the entrants' content. In order to achieve this, we request that you provide a high quality version of your file. Our video specification is below.

	Specification
File format	.mp4 / .mov
Audio codec	Stereo audio (one audio stream with two channels L and R) / dual mono
Bit rate	15 – 20 mbps (or as high as possible)
Aspect ratio	Must be 16:9 (i.e. Full HD: 1920x1080)
File size	Up to 15GB

Please upload your video(s) as soon as possible to the BAFTA Media Library so any playback issues can be resolved before entries close. After your video has uploaded, please go to the BAFTA Media Library, play the file back, and contact awards@bafta.org if you have any other questions or problems with uploading.

BAFTA accepts no liability for any file created to the wrong specification and is therefore not available to be streamed in the voting site. It is the entrants' responsibility to make sure the file is created to the correct format, to check the video transcodes and confirm the video is uploaded to the correct entry
