

## BAFTA QUALIFYING FESTIVALS LIST – BRITISH SHORT FILM

All films submitted into the British Short Film category must have been accepted into:

- At least one festival from Section A or;
- At least two festivals from Section B

*Short films which have been programmed at BAFTA Qualifying Festivals remain eligible for the British Short Film award, even if the festival has been moved online, has been postponed or cancelled. Entrants will be required to upload proof that the film had been programmed by the festival prior to the impact of COVID-19.*

Please note, films submitted into the British Short Animation category currently do not need to have screened at a festival in order to qualify. Any questions about this, please email [awards@bafta.org](mailto:awards@bafta.org)

**The qualifying festivals list is continually updated and may change without notice**

If your film has been screened at a number of festivals not included on this list, it may still be accepted at the discretion of BAFTA's Film Committee. Please note however, that BAFTA will not provide feedback if your film is not successful via the festival exemption route.

Note also that filmmakers are only eligible to apply for a festival exemption if they have had an opportunity to qualify via festivals. If you apply for a festival exemption and are unsuccessful, your film will not be eligible in any future awards years, regardless of subsequent screenings at qualifying festivals. All shorts filmmakers are therefore encouraged to make use of the festival route prior to entry and prior to applying for festival exemption as this could disqualify your film in future years.

## BAFTA QUALIFYING FESTIVALS LIST – APPLICATION FOR INCLUSION

The Qualifying Festivals List exists to identify qualifying entries for the British Short Film category in the annual EE BAFTA Film Awards. The British Short Film award is open to films of under 40 minutes with significant creative involvement by British individuals. We review the list every year, and ask all applicant festivals to briefly answer a series of questions, to help us better understand each festival. In order to be included in the upcoming season, forms would need to be submitted by the end of June each year.

**We are currently in the process of reviewing our shorts festival list and so will not be accepting applications this year. Please feel free to submit an application form and we will consider it once the review is complete. To apply to be included on the BAFTA Qualifying Festivals List please complete an application form [HERE](#).**

BAFTA does not provide feedback if your festival is not added to the BAFTA Qualifying Festivals List.
